 TM EarthBin[®]

INVISIBLE NEVER LOOKED SO GOOD[™]

What is EarthBin®?

EarthBin® is a premium in-ground waste management system. It's easy to use, quick to empty and adds style to any property.

AESTHETICS

Attractive compact, and eliminates enclosures

SITE PLAN INTEGRATION

Smart, saves spaces, and fits anywhere.

SUSTAINABILITY

Built green, recyclable, and keeps sites clean.

PEST/ODOUR CONTROL

Superior containment that solves odors and vermin.

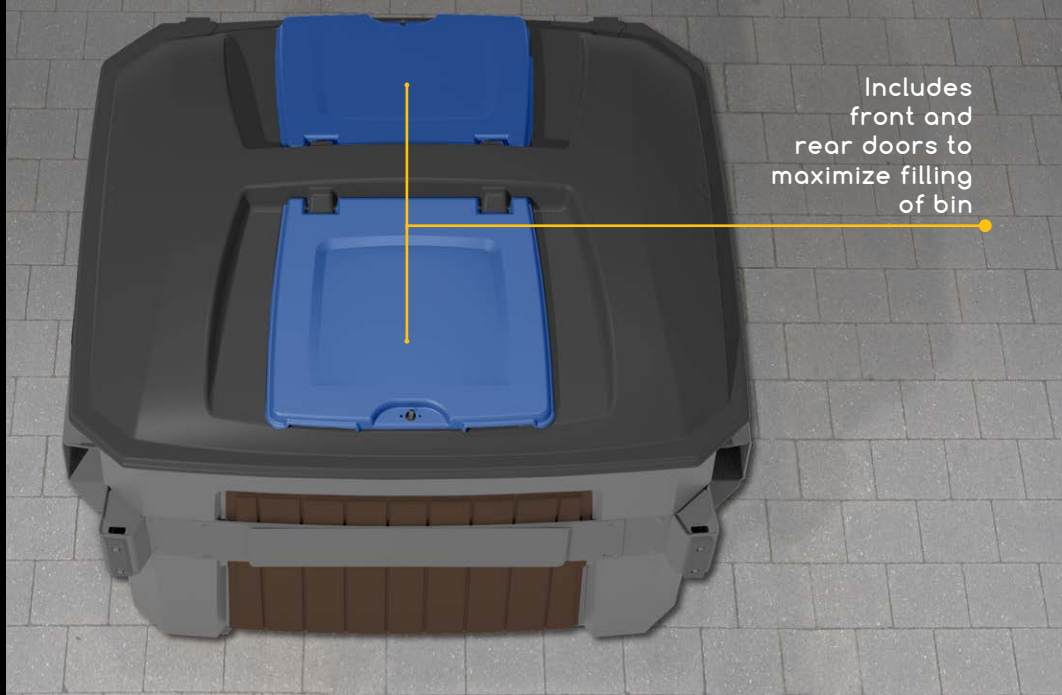

SECURITY

Safeguards users, prevents illegal activity and dumping.

Bird's Eye View

Includes front and rear doors to maximize filling of bin

EarthBin™ containers can be collected by any front-load truck.

The driver never has to exit the truck.

Front load trucks can collect up to 100 bins per day.

Faster collection means less idling which means less pollution.

Gravity latch ensures control of mess during collection.
